

# KINGDOM DISCOVERY MINI COURSE

IGNITE WITHIN WHO YOU WERE MEANT TO BE

## DAY 34: THE FORGETFUL WOODS

“Remember, Josiah, you must not forget your journey,” The man says to Josiah again.

“My journey?”  
-Treasure Kingdom

For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.

-Jeremiah 29:11

Do you understand that the God of the universe wants to know you personally? He created you who you are for a reason. Will you choose to trust God’s leading even when you do not understand where He may be leading you? It is all about trust. The more you know of God’s character the better you understand who you are as well. You were created in God’s image and He calls you to be holy because He is holy. What is your next best step towards God and towards become who God created you to be?

Yesterday I had you compare how you have changed from the start of this course to now. Now I want you to find your courage, seek God’s leading for your life. As I said before you are not alone in your journey, you need to choose to stay focused of God’s word and leading for you.

God is the great judge, all powerful, everlasting, unchanging, He is everyone at the same time, and He loves you and wants a relationship with you. The more you know, the less you know. Have you heard this expression before? It is very true, the more you learn and understand you realize there is so much more you can learn. God is bigger than you could ever think or imagine. When I first heard this, I felt so small. But you know the more you study this statement and unpack its truth, you begin to understand that because God is bigger than we can think or imagine, nothing is impossible for Him. Your hopes, your dreams, measure them up against God's Holiness. Do they line up with God's truth? Do they bring God glory? The bigger the dream, the more impossible it seems the more you need to lean on God and trust Him for the details. If it is in His plan, He will make a way for it to happen.

Now this does not mean you can just sit back and wait for the opportunity to fall in your lap, you need to work for it, train yourself, so that when God opens the door you are ready, that you have the courage and the insight to see the door and walk through it. What can you do today to train your mind and body to be ready for the next door God will open for you?

Please share on the Facebook page, if you have any questions send me an email, [authorloriegurnett@gmail.com](mailto:authorloriegurnett@gmail.com) and we can set a time to unpack this further.

See you tomorrow in day 35, Doubts of Fear
