

TREASURE KINGDOM DISCOVERY GATEWAY TO DISCOVERING

YOUR IDENTITY AND RISE TO YOUR FULL POTENTIAL

DAY 5: YOU ARE MORE THAN ENOUGH

I slowly step forward in front of a huge crowd. I stumble a little, hesitate as I pan the room. A wave of fear washes over me, of doubt. But then I see her, in the back of the room. Tears flowing down, fear in her eyes.

What is her story? What plagues her today? I step to the microphone and fix my gaze on her. All other faces melt away. I am here for her.

I open my mouth, "You are more than enough." No matter what is pushing you down, you are more than enough. When others are laughing and criticizing you, you are more than enough.

When you feel lost for words, beat down, hopeless. You are more than enough. I see you, you are not invisible. Silence your inner voice, focus on the truth. You are more than enough.

The lights fade, the room falls silent. I maintain my gaze. You are more than enough. I walk through the crowd, all eyes spinning, confused, lost. I walk right up to her. Without a word, I hug her.

You are more than enough. God loves you and sees you. A gift, a blessing, His child. You are more than enough.

"Josiah thinks some more. "Jesus Christ died for me? He paid my penalty because he loved me. Jesus came back to life and this proves that God accepted Jesus' death as a price paid for my sins. While I was still His enemy and I hated Him, He still loved me enough to save me." Josiah is overwhelmed with this truth."

-Josiah, Treasure Kingdom

Have you ever thought to yourself: I could never do that.

YOU'RE STRONGER
THEN YOU THINK,
LOVED MORE THEN
YOU KNOW, AND YOU
ARE NEVER ALONE.

~ Lorie Gurnett

What if I fail? If I try, they will just laugh at me.
I have nothing important to say. I am invisible.
Nobody will ever listen to me. I am worthless.
I could never help anyone.

Today we need to silence these lies that eight us down on a daily basis. Have you even thought 3 or more of these statements about yourself? I know I have. It is a constant battle each day to silence these lies. I challenge you to focus on the truths of what you are and who you are.

You are good enough. You have value. You are not invisible. Even if people laugh, you have something important to say. You have a voice. You are loved. You are adopted. You are a survivor. You are chosen. You are not alone. You are worth more then you will ever know.
~Lorie Gurnett

Now I want you to think about this second list. Watch this next video and once the video is complete, start writing. Don't think, just write whatever comes to mind.

“Now write without thinking:

You are valuable, worthy, loved, and forgiven.

This is a simple day; see you tomorrow in Day 6, What Masks are you wearing?
